

Introducing Our New **PAPER LID FOR SINGLE SERVE CUPS**

Stanpac is excited to launch our line of paperboard lids for single serve cups in serving sizes from 3 to 5.8 ounces.

The paper lids are manufactured with the same material as our paperboard cups and have 91% less plastic than current plastic lids.

Full color printing options are available. Lids are printed using the same process as the cups.

Easy lid application.

Benefits

- ✓ Super snap on feature
- ✓ Full color premium print quality
- ✓ Plastic content is reduced by 91%
- ✓ Fits our cups with serving sizes from 3 to 5.8 ounces
- ✓ Best of all, manufactured by Stanpac to ensure reliable service, quality, and delivery.

The future of packaging from Stanpac.
