

STANPAC

DOUBLE WALL

paper hot cups

Made from **premium North American paperboard**, our double wall construction delivers comfort while maintaining beverage **temperature and freshness**.

Eliminates the need for sleeves or double cupping for **faster, more efficient service**.

Improves heat retention—tests show beverages stay **up to 12% warmer** after 60 minutes compared to a single wall cup.

Available in
8oz, 12oz, 16oz,
20oz, & 24oz

Keep drinks hotter for longer, with cups that are 20% cooler to the touch!

Flexible Ordering

Low minimum custom print quantities make it easy to order the right amount for your business

Dependable Supply Chain

Reliable lead times and consistent delivery backed by North American manufacturing

Sustainably Made

Made from Sustainable Forestry Initiative® certified paperboard, supporting responsible forestry practices

Branding Options

Premium 6 colour litho or cost effective flexo with up to 3 spot colours

With over 75 years of packaging expertise, Stanpac has earned its reputation as a trusted North American manufacturer dedicated to quality, innovation, sustainability, and exceptional customer service.

Designed for both performance and style, Stanpac's double wall cups maintain beverage temperature while offering a sturdy, comfortable grip- ideal for fast paced environments and elevated brand presentation.
